

SHOWCASE MELBOURNE

at your next corporate event

Pleasure Boat Cruises add value to any corporate get together by providing only restaurant quality food and wines.

Enhance your total customer experience by using our corporate vessels the MV Challenger or MV Mandalay to break bread and relax while enjoying Melbourne's beautiful waterways and stunning skyline. We deliver an exceptional experience for any client, especially interstate or international visitors and delegations.

We are proud of our service and will recommend the most effective program to accommodate your tight meeting agenda. Your guests will welcome the refreshing break, and be much more energised when returning to business.

We are owner-operated with 15 years experience along Melbourne and Docklands waterways. Take full advantage of our personalised and custom service to set you apart from any corporate hosted event.
